We'll plan to be out to Harrisburg by about 9:30 so when Scott is finished with the other call he can join us. Dave will be coming in from Titusville, and we'll be coming from Phila. Thanks!.

Thanks, Scott. If the timing works out that you'd call into the 9am and then meet in person with Karen's folks a little later, we could get you to participate in both.

John - if you'll be in Philly (it sounds like you may be), we could have you here in person and conference others from DEP by phone (I understand Kelly may be in transit). Just let me know.

Hi, all -

Scheduling is a little crazy, but I think we have a possible date for these meetings.

On Dec 14, Karen Johnson and her UIC staff are available to come to Harrisburg to meet with Scott and his O&G folks. Darek, please work with Karen Johnson to find a good time.

That same day, Dec 14 from 9-10am, I'm gathering as many Division Directors as I'm able to discuss communications and coordination via conference call. We may not get everyone we'd like to have on our end (I know of 1 vacation next week), but we'll do what we can to have a productive call. If we need to follow up with an in-person meeting after the holidays, I'll work with you all to make that happen.

Laura - do you have a number we could use for call-in on the 14th at 9?

Thanks!

Jennie,

Darek Jagiela is in charge of my schedule. Should he now coordinate with you to set up this meeting? Darek - Seth Pelepko and Gene Pine should be included.

Hi guys -

I wanted to check in on these meetings...I did not go back into the office this afternoon, so if the scheduling has already occurred, please forgive me.

* Technical meeting: I think I heard John say today to not wait for him if everyone else is available. If that's the case, Scott, please let me know (or have someone let me know) what dates are best and if you prefer phone, Harrisburg, or Philly. I'll get Karen and her staff rounded up for that.

* Communications/coordination meeting: I've also heard that the first time John was available for this was Dec 20. Please let me know if this would work for your folks to meet in Philly. I'll do what I can to make it work on our end if it works for you.

(John - please let me know if next Wednesday is in play for you...I recall you said you may have had some free space on your calendar that day.)

Thanks!

Jennie
